CHECK ONE OR MORE OF THE FOLLOWING CHANGES BEING PROPOSED:

Relocations of water or wastewater systems provided that the changes comply with Title 76, Chapter 4, Part 1 MCA; Title 17, Chapter 36 ARM, and all rules and regulations:

- _____ Moving the location of a well within the lot boundaries provided that the new location meets separation distances and will not adversely change the quality, quantity and dependability of the water supply.
- _____ Moving the location of the wastewater treatment system within the lot boundaries provided the new location meets separation distances and site evaluation criteria, and the wastewater system is sufficient in terms of capacity and dependability.
- _____ Other (Describe): _____

Changes to water or wastewater systems that do not significantly affect the approval statement of the subdivision:

- _____ Replacing a previously approved system with a similar system designed in accordance with the current version of Circular DEQ4 and local regulations.
- _____ Replacing components in a previously approved system with similar components that meet criteria in Circular DEQ4 and local regulations.
- _____ Adding a water or wastewater treatment system that provides greater treatment than the approved system provided the approved system is installed and used as a redundant system and the new treatment system does not interfere with the operation of the approved system.
- _____ Other (Describe): _____

PROCEDURE

APPLICATION FOR AS-BUILT CHANGE IN SUBDIVISION APPROVAL STATEMENT

MDEQ and the Lake County Environmental Health Department now allow for minor changes to an existing certificate of subdivision approval. These include:

- Relocation of water or wastewater systems provided that the changes comply with Title 76, Chapter 4; Part 1 MCA, Title 16, Chapter 36, ARM; and all related rules and regulations, and,
- Changes to water or wastewater systems that do not significantly affect the approval statement of the subdivision.

FEES: The review fee for a proposed modified site plan is \$100 per lot and is due with the application. The fee will be payable to Lake County Environmental Health or MDEQ. This is decided on a lot by lot basis, so please check with Lake County Environmental Health before writing your check. Lake County will also require a separate payment of \$6.00 for the filing of the approval document with the Lake County Clerk and Recorder.

APPLICATION REQUIREMENTS: Please supply:

- The completed Lake County application form for As-Built Changes
- Fee:
 - For a lot less than twenty acres (<20 acres) in size:
 - \$100 check payable to MDEQ (Montana Dept of Environmental Quality)
 - \$6 check payable to Lake County Clerk & Recorder
 - For a lot twenty acres or greater (≥20 acres) in size
 - \$100 check payable to LCEH (Lake County Environmental Health)
 - \$6 check payable to Lake County Clerk & Recorder
- Three copies of the new lot layout (if applicable) (8.5 X 11.0 inches size)
- Any other supporting information necessary to the review

REVIEW TIME: The Lake County Environmental Health Department will review the application within 30 days of receiving a complete proposal.

FINAL APPROVAL: If the application is approved, the modification will be sent to the Montana Department of Environmental Quality, if required, and filed with the Lake County Clerk and Recorder. A copy will be provided to the applicant.

=====

The Lake County Environmental Health Department reserves the authority to require a re-write of the Certificate of Subdivision Approval on any lot where it determines the proposed changes are substantial and warrant this procedure.
