POLSON RURAL FIRE DISTRICT LEVY
FOR THE LEVY
AGAINST THE LEVY

Shall the trustees be authorized to impose a new levy, which shall take the place of the expiring levy? The total amount of the levy is approximately \$68,500.00 per year. The purposes for which the money will be used are set forth in Section 7-33-2109, MCA, namely, maintenance of fire protection facilities including real property, brush trucks, command car, engine for main structure fires, water tenders and pumper trucks; emergency response apparatus, including equipment for cold water and ice rescue. The duration of the levy is limited to seven (7) years and is a maximum of 5 mills. If approved the fiscal impact is estimated at:
\$6.75 per year on a home with a market value of \$100,000.00; \$13.50 per year on a home with a market value of \$200,000.00.
