

### **OLD CORRUGATED BOXES (CARDBOARD)**

Corrugated Boxes and Kraft paper (brown paper bags). Flatten the boxes and do not include plastics or Styrofoam, wet or food-contaminated boxes such as pizza boxes.

**DO NOT INCLUDE:** Wax Coated Cardboard, Feed / Seed Sacks, Food Encrusted Material, Beverage Boxes (coated), Pop Carriers (coated), Chipboard (Cereal & Tissue Boxes), Egg Cartons.

### **NEWSPAPER RECYCLING**

Newspapers and the Advertising Supplements that come with the newspapers. Newspapers should be loose, not tied or bagged.

**DO NOT INCLUDE:** Magazines / Catalogs, Phone Books, Unwanted Residential Mail, Envelopes / Books, Cereal Boxes, or anything that did not come with your newspaper.

### **MIXED PAPER RECYCLING**

Copy Paper, Magazines / Catalogs, Phone Books, Unwanted Residential Mail, Envelopes / Books, Beverage Boxes (coated), Pop Carriers (coated), Chipboard (Cereal & Tissue Boxes), Egg Cartons.

### **ALUMINUM CANS**

**DO NOT INCLUDE:** steel or tin cans, glass, paper, corrugated, plastics, food, or bags.

### **TIN CANS**

**DO NOT INCLUDE:** aluminum cans, glass, paper, corrugated, plastics, food, or bags.

**DO NOT INCLUDE ANY PLASTIC BAGS WITH YOUR RECYCLABLES!!!**

### **USED MOTOR OIL**

Recycle household quantities (5 gallons or less) at the Transfer Station and most container sites. Larger quantities can be taken to some local automotive shops. No gasoline or solvents are allowed in the oil. Filters must be drained and disposed of with other household trash. Oil containers are not recyclable.

### **USED ANTIFREEZE**

Recycle household quantities at the Transfer Station. Some automotive shops also accept antifreeze.

### **VEHICLE (LEAD) BATTERIES**

Drop off for recycling at the Transfer Station.

### **METAL**

Recycle metal items at the Transfer Station on North Reservoir Rd. Wire, fencing, and cables must have wood posts removed, be rolled, and controlled. Tanks and barrels must be empty, no residue, and cut in half or have a hole large enough that the Scale Monitor can visually inspect them.

**APPLIANCES WITH REFRIGERATION MUST BE TAKEN TO THE TRANSFER STATION BUILDING (DOOR B) FOR EXTRACTION OF THE REFRIGERANT.**

### **TIRES**

Recycling drop-off located at the Transfer Station. Take large quantities (Four or more) to the Tire Depot on Hwy 93.

**WHEN IN DOUBT THROW IT OUT!!!**

## LAKE COUNTY TRANSFER STATION & RECYCLING CENTER

### PLASTIC BOTTLES:

Lake County Transfer Station accepts **ONLY** #1 plastic bottles and #2 plastic translucent milk jugs. Look for the triangle on the bottom of your plastic bottles to find the numbers. The numbers indicate the type of plastic. Water and pop bottles are commonly #1 (PETE), while milk jugs are #2 (HDPE). Please separate your plastics, into #1 and #2 translucent milk jugs. Bottles have openings smaller than the body of the bottle and generally have screw on lids.

Examples: Water bottles, soda bottles, kitchen items like catsup, juice, peanut butter, cooking oil, syrup. All bottles must be rinsed and empty of any contaminants like food. Remember to remove the lids.

Due to recent levels of contamination, we no longer can recycle colored #2 plastics. We can only recycle clear milk jugs. All other #2 HDPE products are non-recyclable. Please throw them out with your trash.

**DO NOT INCLUDE:** yogurt or cottage cheese containers, caps, lids, or pumps, motor oil bottles, pesticides, or herbicide containers, margarine or butter tubs, foam cups, food trays, egg cartons, microwave food trays, stretch wrap, toys, buckets or bags.

### PLEASE FOLLOW THESE 3 - R'S OF PLASTIC RECYCLING

- REMOVE ALL LIDS AND CAPS
- RINSE THE CONTAINER
- REDUCE THE CONTAINER SIZE - STOMP IT

Recycle plastic bags at local retail stores or reuse them.

### OFFICE PAPER:

Office paper is just that, paper from a typical office including copy paper, envelopes, and computer ledger, containing primarily white and colored groundwood-free paper, free of unbleached fiber. It may include a small percentage of groundwood computer printout and facsimile paper. We cannot accept thermal fax paper, florescent, goldenrod, or neon colored paper, manila envelopes, tissue paper, or paper products with food waste on them. **Recycle with MIXED PAPER.**

### GRASS AND LEAVES

Recycle all quantities at the Landfill on Kerr Dam Rd for composting. Empty out any bags and do not dump garbage along with the grass and leaves. The Transfer Station only takes small amounts when the Landfill is closed. The Landfill is open Tuesday thru Saturday from 8am to 5pm, except for legal holidays.

There is no charge for taking recyclables to the transfer station, or yard waste to the landfill.

Hours of operation are:

Transfer Station - 7 to 5 – 7 Days a Week

Landfill –**Open** - 8 to 5 Tuesday through Saturday

**Closed** - Sundays and Mondays

Container Sites – 7 to 7 – 7 Days a Week

Recycling Sites – 24/7/365 – Ronan, Pablo, & Polson

**ALL FACILITIES CLOSE FOR LEGAL HOLIDAYS.**

For more information, contact the Solid Waste Office at the Transfer Station – 406-883-7323.
