PRESS RELEASE

AUGUST 27, 2020

AWARD GIVEN TO CITIZEN

Today, Lake County resident, Chad Killorn, was recognized by Sheriff, Donald Bell, for his assertive actions and leadership towards the saving of a motorist's life on August 16, 2020, on US Hwy 93 at mile marker 41. He was given the Lake County Sheriff's Citizen Lifesaver Award and a challenge coin. Ninepipes Lodge also donated a \$100 gift card to Chad and this was presented by the Sheriff as well. A document detailing this event is attached and below is a video of the event depicting his efforts and those of many others:

We would like to emphasize the concluding paragraph of the attached document. We realize this was a team effort by many people, but Chad's particular actions were able to ensure the success of the efforts of all others, and absent his actions this would have turned out differently. It is for these reasons that he is being singularly recognized.

We want to extend our gratitude to all of the people who helped out in this situation. This summer has seen a high amount of successful and appropriate citizen involvement in incidents which have aided emergency services. Lake County is truly an exceptional place.
